

We want to make our hospital better: can YOU help us?

What do you think about these questions:

What would make it better?

Does this place look nice and friendly?

Are there things available, in this place, that you like to do?

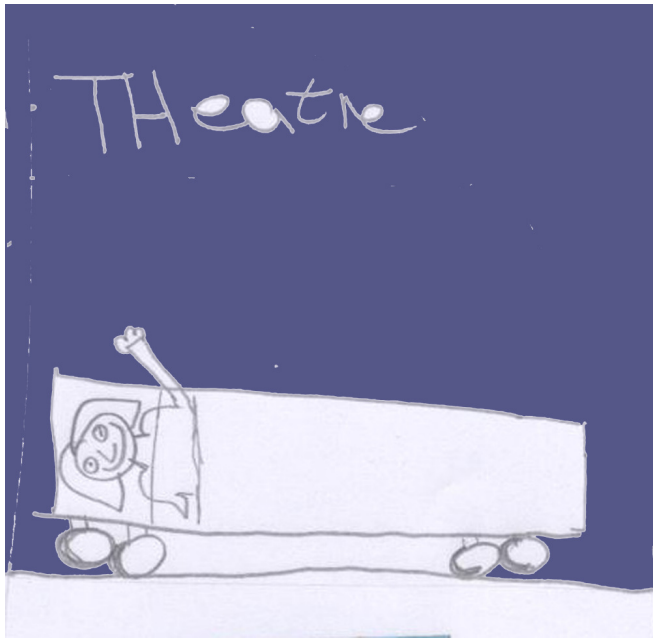

Does this place feel right for you?

Do the people who work here talk to you?

Is the seating laid out well and is it comfortable?

Can you do stuff with other young people, if you want to?

Is there anything else you would like to tell us about this place?

Thanks for your help!
